In the opinion of the W. S.

Having regard to the quantity of work in the overseer's office
that there is no necessity for a separate store clerk

~~light work may~~ can do the duty in addition

the present Maistry who is not acquainted with the duties

7. So far as the W.S. is aware almost all the works are at present Karkuns as may be ^{absolutely} necessary looking to given by contract. The number & situation of works to be undertaken if this system were to be followed next year, the W.S. fails to know where ~~the~~ should obtain the previous sanction. The proposed mustering Karkuns are meant of the a.p. agent for all Temporary Establishment to be employed. If that may be required for ^{the next} few months to come. However, any particular work in an outline the W.S. is of opinion that ~~none of the~~ a mustering place is to be done departmentally, a Karkun's pay should ^{not} exceed Rs 10 per mensem, as mustering Karkun might be employed in these days good lands are available for this pay.
8. The pay of all the Establishment under the a.p. a. on a salary of Rs 10 and the said salary should be charged to the works of the British Territory.
9. Looking to the financial condition of the next year the W.S. begs to observe that only Rs

the honor to report as follows:-

2 The present scale of
the Diwan's office & establishment
was sanctioned by G. R.

(Poll) no 3172 dated 29 May 1894.

The work has since increased
considerably on account of various
causes such as (1) introduction of
certain ^{in accordance with the suggestions of the auditors.} Huzar accts forms (2)
the introduction of the tajar system
(3) the ~~sys~~ introduction of the system
of making loans to Khazanas &c

examination of bills ~~is~~ received

appoint an additional English
knowing Kartim to do the English

the Nagadi Kartim who is in need
of some relief.

4 I would propose that the pay of the new appointment be fixed at Rs 30 which is the pay of the 2nd Kartham in a Mamro office & that Mr Shecho Rang 2nd Kartham (Rs 25) & Mr Narsing Rao Barendra Nagadi Kartham (Rs 20) who have largely borne the burden of increased work & who are deserving of promotion be ^{promoted} ~~appointed~~ to Rs 30 & Rs 25 & that an English knowing hand be appointed ~~to~~ ^{at} Rs 20.

Sanctioning the entertainment of a
measurer on Rs 15/- per mensem
for the — State, and the in-
crease of the pay of the Maliki
Rank of that State by Rs 2/-.

No 6251.

Political Department.

Bombay Castle, 6th September 1901.

Letter from the Commissioner, Southern Divi-
sion, No. Pol-253 dated the 17th August 1901:-
Stating that the Collector & Political Agent,
Wharwar, proposes to entertain a measurer on
Rs 15/- per mensem for the Savanur State;
that he (Political Agent) says that the
city survey maps of the Savanur State
have become quite worn out and nearly use-
less, and that consequently the results of the
city survey carried out at considerable ex-
pense to the State will practically be lost;
& that he points out that since the survey,
many changes have taken place on account

of the disposal of sites, &c., but that the maps
have not been corrected for want of a suitable
agency, and that there is no body to look after
the measurement work and the correction of
survey records when that is necessary; &
adds that, with a view to meet this difficulty,
the post of a measurer, has been created in
the State on Rs. 15/- per mensem. Intimating
that he (Commissioner) fully agrees with the
Political Agent that the measurer should
be entertained as proposed. Observing that the
Collector & Political Agent further desired
to increase by Rs. 2/- for good service, the
pay of the mulki rank of the State; & re-
commending that this should be done.

Resolution. The Political Agent's proposals
which are supported by the Commissioner
are approved.

ment.

Memorandum from the Commissioner, Southern Division, No. Polt.
303, dated the 9th October 1901:-- --Forwarding a letter No.
7199, dated the 26th September 1901, to his address, from the
Collector and Political Agent, Dharwar, who submits, with his
remarks, a proposal for entertainment of an additional--
English-knowing Karkun on Rs. 30/- for the office of the Divan
Divan of Savanur; and states that the present scale of the
Divan's office was sanctioned in 1894 (Government Resolution
No. 3172, dated the 29th May 1894), but that the work has
since considerably increased. Requesting that the Political
Agent's proposal may be sanctioned.

Resolution.-----The present establishment of the Divan's office
is large in comparison with the area and revenue of the State;
and the Governor in Council is therefore unable to sanction the
Political Agent's proposal.

Subject- Work in Savanur State.

Sir,

Referring to para 1 of my No.2750 of 21st ultimo I have the honour to report as follows in connection --- with the Torur tank which ~~I suggested~~ inspected on the -- 13th instant.

2. The slip in the embankment (a breach was averted by the timely letting out of the water in the tank) is due entirely to percolation, the material forming the bank being of inferior quality and no puddle core having been provided; from local enquiries made breaches have occurred at the same spot on former occasions.

3. To put the bank into thorough order a puddle wall -- must be provided; for this an estimate has lately been received and returned for revision with the necessary suggestions to the Assistant Political Agent under this office -- No. 3015 of 14th Instant.

4. The central drain outlet has no staunching wall and water escapes through on one side at present , a staunching wall either of puddle or masonry seems necessary and should in my opinion be provided to guard against damage.

5. If these improvements are carried out, the tank will not require further attention for some time.

6. There has been no dereliction of duty on the part of the late Overseer Mr: Jog so far as I can see.

2) Oversee's office - There are 2 penies
and males

Rs 6 each: The Overseer reports
that persons in the British P.W.D
get Rs 7 to 9.

The application for a dispensary
has apparently been made to the
other authorities.

Dispensary - The establishment
1 Peon at Rs 6 } attached to the
1 Whisker at Rs 5 } dispensary is as
1 Sweeper at Rs 6 }

noted in the margin. The H.A.
reports that the present scale of
pay is ^{very} low as compared with the
duties imposed on them. The servants
are required to be on duty day &
night, while a Coolie getting Rs 7-8 p.m.
at the rate of Rs 4 per day, has
only to work during the day & is
more independent. No body seems
to like to take up an appointment
in the dispensary. The posts have

been, in the past vacant, for long periods, for want of substitutes. & difficulty is experienced in getting dispensary work, which is often- times disagreeable, & unpaid.

When Mr. Dyson, Civil Surg. I have now, visited the Dispensary last, he expressed his opinion that the pay of the servants should not be less than Rs 7 ~~per~~ that is to say, the ordinary monthly wages obtained by a Coolie in Saran.

Warders — There are two jail warders on Rs 6 each. The ~~warder~~ ^{warder} is ~~responsible~~ ^{responsible} for the duties of warders are being responsible. They have, during the day, ~~always~~ ^{always} one in attendance in the ~~prison~~ ^{the latter} ~~prison~~ ^{prison}, when ~~they~~ ^{they} go to work. They have also two night duty. It is not easy to get honest warders, on

a small pay. Awarde's duties
are more responsible than those
of a Police Constable. It is desirable
that the winner's pay should not be
less than the pay of a Constable
which is Rs 7

Servants in the English
& Kanarese Schools The pay
of the

English School servant is Rs 5 &
that of the Kanarese School servant
is Rs 6. The Hd Master English
School reports that the pay of the
servant is barely sufficient to
maintain himself & his family. The
Hd Master Kanarese School
reports that the pay of servants
in the British Schools is Rs 7.

It may be noted here that
these servants are required to do
menial work such as sweeping
& mending the schools and for watering the
premises.

The servant of the Kainouse
School has moreover to disburse
the pay of the masters in the village
Schools of the State & gets no bhata
when he has to leave the head quarters
Branglaw Malis — There are 2.

One gets Rs 6 & the other Rs 5. The
scale of pay is barely in keeping
with the wages of an ordinary coolie.
These are handworked men when
a mali goes away, his place remains
vacant & the gardens laid out
at ~~some~~^{great} expense are injured.

The mali on Rs 5 gave
notice last month that he is
not willing to serve. He has
been induced to remain & an
increase of Re 1 has been
promised from the 1st of this month
(pending the sanction of these proposals)
from the funds provided for the

entertainment of an additional
- temporary mule during the hot
weather.

Bhishtas — There are two Bhishtas

for the Khangadas of Larain &

and for those of Buzarkop: viz

Bhishtas at Larain get Rs 8 each

& ~~the Bhishtas~~ ^{the Bhishtas} at Buzarkop get Rs 4 each

The Buzarkop Khangadas always
complain that the Bhishtas is absent
& when he is away, no substitute
is available & the Khangadas are
put to much inconvenience: The
pact on with the Bhishtas belongs

To the State & the Bhishtas is supposed
to feed etc at his ^{own} expense. It is
not possible to conceive how
the Bhishtas manages to maintain
himself & his ox with Rs 4 p.m.

He asks that his pay maybe

raised to Rs 8 as in the case of the

Saranur Bhistis : His request
is quite reasonable

Bhanyis. — There are at present
2 Bhanyis in the whole of Saranur
one for the Khanyadu & the other
for the Dispensary, the jail & the
^{English} School.

The State pays Rs 6 for the
Bhanyis attended for the Khanyadas.
The Khanyadu & the Bhanyis are
always found to quarrel with
each other. The Khanyadu complains
that the Bhanyis does not properly
& regularly serve them & the Bhanyis
complains that the Khanyadu
ill treats him, that his work
is heavy & his pay is small.

The Dispensary, the jail &
^{English} ~~English~~ the School pay Rs 2, Rs 2 & Rs 8.

respectively. The Laranis
Municipality pays Rs 8 each

The State & The Depts
remit their shares to the Muntz
& the Muntz pays Rs 8 to each
of the 2 Bhangis & gets service
done for the Khanyad, the Depts
named above & for itself in its
Municipal limits, out of Rs 16 thus
available. The work is too much
for 2 Bhangis & is never, as a matter
of fact, properly done.

It is proposed that 2 Bhangis
may be employed by the state
at Rs 8 each, one for the Khanyad
& another for ^{all} the Depts named above
The Muntz and employ a Bhangi
of its own ~~order~~ for service within
the Muntz limits. The pay and, as before,

be remitted each month to the
Munty & the Bhangis shd continue
to work under the supervision of
that body.

It makes no difference if
the State pays ^{the money} ~~the money~~ direct
to the Munty or the Depts pay ^{the money} ~~the money~~
^{private} to the Munty for Bhangi service, when
these proposals are sanctioned the
amounts now allowed to the Depts
for payment Bhangi service
will be withdrawn. This arrange-
ment will ^{partly} reduce ^{the} work of each
Bhangi ~~partly~~ & secure better
service.

3) An ordinary unskilled Coolie is
Saramar gets Rs 4 to 6 per day, in
when a post is vacated in any
of the Depts for any reason, a
substitute is not available & the

just remains vacant work
lapses

4) The ^{Ministry} ~~heads~~ in the Durais office &
the head of the Vaccinator get Rs 7
each p.m. It is at once necessary
& desirable, that in the interests
of efficiency, that the pay of ^{all} these
servants should be raised to Rs 7 p.m.
Dr Lyne is decidedly of opinion
that the situation will not ^{be} improved
unless & until the pay is increased
to Rs 7.

5) It may be noted here that the
State is bound, under an agreement
with the Khanyados, to pay for
Whisk & Bhaygi service to the
Khanyados.

6) I append a statement showing the

present & proposed scale of pay
& ^{the} financial effect of these proposals.

7) The increase, on the whole, is
very little i.e. Rs 24-8-0 p.m.

Provision will be made in the next
Budget for 1904-5, when these
proposals are sanctioned & effect
given to them from the 1st of April
1904. Provision can be made
by reappropriation, even if the proposals
are brought into force from
the date of their sanction. There are
funds available.

8) The status of Malis, Bhutis &
& Bhangis ^{Coolies} is that of ordinary Coolies
and ~~hence~~ ^{therefore} must that you may
be pleased to sanction ^{the proposed} increase
in their wages ^{may be sanctioned} without reference to
higher authority. ~~The latter proposal~~

My dear friend to the shipper.
Kiss it every day.

Love
M

Sanction to an increase of pay

No. 1360.

Political Department.

Bombay Castle, 23rd February ; - 1904.

Letter from the Commissioner, S.D. No. Pol/2 dated the
3rd February 1904:- Forwarding a proposition statement in
respect of the increase of pay to certain menial establish-
ments in the Savanoor State,- Observing that the existing
pay of the menials is low as compared with the wages of
skilled labour in the State which it is reported amount
to Rs 7/8; that as a consequence it does not generally
attract persons to the menial service of the State; that
to remove this difficulty the Dewan proposes to increase
their pay; and that the proposal which results in an in-
crease of monthly cost aggregating Rs 24- 8-0 has the
concurrence of the Political Agent. Requesting that the
increased may be sanctioned with effect from 1st March 1-
1904, so that it may be payable from the commencement of
the new financial year 1904-1905.

Resolution:- The proposal to increase the pay of *Certain*
menial servants in the Savanoor State at an aggregate cost
of Rs 24-8-0 a month, is sanctioned.

ES Memo.

There are two vacancies owing to the demise of two Karkuns (one Narsingarao Vasudeorao on Rs 25 & the other Venkaji Subrao on Rs 20) in the Divan's office Saranag.

No 1 Narsingarao was in charge of Nagadi Daftar & I Venkaji in charge of Masti Daftar.

As regards filling up the post of Nagadi Karkun the Divan proposes that the Nagadi work in the State is most important & that regard being had to the importance and heavy nature of that work the services of a Karkun of experience ~~shd~~ be lent from the British Service. He recommends that either Mr J. S. Kulkarni, clerk on Rs 25 in the correspondence office or Mr Jade, clerk on Rs 20 in the Dist. Dy.

Collector's office, shd be appointed or if either of them is unwilling to accept a place of Rs 25 the pay shd be raised to Rs 30.

The A.P. Agent negatives this proposal on the ground that either of the above named clerks have not put in 10 years service & their services cannot be lent under standing orders & recommends one Keshav Bhimarao Bellikalamdani as being a best qualified man according to his test.

As regards the post of Venkaji (Pay Rs 20) the A.P. Agent proposes that grade promotion should be given to the members of the existing staff of the Divan & two paid candidates at Rs 12 per month shd be appointed to cope with the increased work in the Divan's Office.

There is no provision in the current year's Budget grant to meet the pay of the candidates. Still the Divan points out savings
Rs 4211
under Bd No 13 - Scale Pay of Patils & Khs -

out of which the charges can be met:

List of Karkuns working in the Divan's office is sent up.

List of applicants for one of the places at Savanur is also sent up.

There are 23 applicants.

Laxman Balaji 12 to 15.

The question of increase of staff to be considered separately. The A.P. Agent can make proposals after his visit to Savanur. where local enquiries should be made as to (1) arrears (2) amount of work of all sorts (3) no of hours a day the office works.

NOTE — Appointment of paid candidates

- (1) Great difficulty is experienced in obtaining suitable hands when a vacancy arises owing to sickness & other causes. The reasons are
 - (a) The number of posts in the District office is limited (b) & The pay is small
 - (b) Chances of promotion are few & far between
 - (c) No passed candidates are locally available
- 2) It is not possible to obtain unpaid candidates to work in the office, full time, as the prospects of getting a permanent appointment

are very remote

(3) Each Karkun is in charge of the work of 2 or 3 Supts & if he is ^{unable} ~~disabled~~ for any reason to attend the office, his work remains undisturbed until he returns. The other Karkuns being overworked cannot do the work of the absent Karkun.

(4) Work has, in recent years, considerably increased but the establishment remains the same.

(5) In British Taluka offices working Candidates are appointed. They learn the Taluka work & ~~are~~ qualify themselves for appointment to vacancies. In British offices ^{voluntarily} passed men apply to be appointed candidates (without any remuneration) in hopes of getting an appointment sooner or later & the

field of promotion too ~~there~~ is very
large ^{there} work in consequence gets a
smoothly. These circumstances
do not exist in the Director's office
& work suffers

(b) With a view to improve the situation
the following arrangements are
proposed

(a) ~~has~~ paid candidates who
have passed after the matriculation
the school
or Final Exam should be appointed
at Rs 12 each.

(b) They should ~~be given~~ ^{the} work of each
section. They should also do the
copying work & the copying
fees (which are paid to the ^{person} ~~copyist~~
~~person~~ who does the work) should
be credited to the state. The income
from copying fees is on an average

Rs 70 ~~or 80~~ per year or Rs 60 per month.

(C) The candidates to be selected & appointed by the Dima. If they do not work satisfactorily or misconduct themselves they should be departmentally dealt with or removed by the Dima.

(d) If a temporary vacancy occurs in the office, no additional hands need be employed as these candidates are available. This will result in some savings to the state. If a permanent or long vacancy occurs, the more deserving candidate may be appointed to the next vacancy. The candidates first rejected by the Dima.

(7) Loans given to Brindar Vaidya.

Khianjadas during the last few years
amount to about Rs 16000 & the
balance to be received is up to date
about Rs 6829. Fresh applications
for loans, it may be noted here,
are being received & granted. This
transaction entails ^{extra} additional
work on the Nagar Karkhan.

The Shukra receives so much
in the way of interest on these loans
per month & part of the interest
maybe appropriately applied to
the ~~entertainment~~ ^{entertainment} of one paid
Candidate. The other candidates
may ^{maybe} ~~possibly~~ be defrayed partly ^{from} by the
recovered receipts & partly ^{from} by
the ^{income from} interest on Surat which is being
rented from year to year.

It will thus be seen that the

cost of additional establishment
will be met from items of additional
income to the State

(8) The proposal for ^{the} appointment
of paid candidates may work
odd. But it is eminently suited to
the special circumstances of the
Dewan's office

(9) In this connection reference is
requested to (1) memo of additional
work ~~involved~~ entailed in the office

(2) memo of various of work to be
done & (3) memo of ~~the~~ ~~work~~
work of all sorts to be done in
the Dewan's office (6x Nos 2, 3 & 4)

(10) In consequence of additional powers
being given to the Dewan the no. of
references to the A.P. M's office has been
partly reduced but work in the Dewan's
office has proportionately increased
